## Chapter 1 by Riley

This happened two night in a row til he finally stayed long enough for me to make sure he was real. He entered my room through my window by 5 and gently shook me to wake me up. That is how I knew he was a human with super human abilities.

"Who are you?" I asked.

"You know exactly who I am," said the mystery man.

"Remind me."

He took off his masked and I gasped.

He came back for the dead.
